

INDUSTRIAL CHEMICALS

Earth Range

Biodegradable Cleaning Chemicals

- Acid spill neutraliser
- Automatic dishwashing liquid
- Automatic dishwashing rinse aid
- Electrical safety solvent
- Water based degreaser
- Non-toxic pollutant encapsulation
- Water based cleaner/degreaser
- Low foam polish stripper/cleaner
- Oil (hydrocarbon) spill absorbent
- Solvent based degreaser
- Pit Latrine treatment
- Pit Latrine treatment
- Enviro-friendly general purpose cleaner

Degreaser - Water Based

Effective concentrated and can be diluted for the removal of grease, oil and grime

- Drag
- Line
- Industrial
- Steam
- Powderkrenz
- Power
- Eco Force
- EA Degreaser
- LF Parts Washer

Degreaser - Solvent Based

Solvent based cleaners for the removal and rinsing of heavy grease and oils

- Heavy
- Heavy Pre Mix
- Light
- EA 110 Degrease
- EA Extreme Force

Electrical Maintenance

Products specifically formulated for safe use in electrical maintenance

- DEM - Anti-corrosion treatment
- EA Contact - Electrical safety solvent
- Elec - Electrical safety solvent
- Non-Flash - Electrical safety solvent - non-flammable
- E Transclean

Water Treatment / Cooling Tower Care

These products are specifically developed for water treatment applications and compliment the full range from ION Exchange

- Dox - Chemical descaler
- Treat - Quaternary ammonium water treatment
- Freeze - Anti-corrosion/anti-freeze coolant additive
- EA Sterifect Low PH - Disinfectant, sanitiser low pH

Workshop

For general cleaning and specialised cleaning and maintenance

- Heavy Duty Hand Cleaner

Specialised Maintenance Products

Specialised products in conjunction with our customers we have a range of specialised maintenance products

- Autogen - Enviro-friendly general purpose cleaner
- Carb - Cold tank decarboniser/paint stripper/degreaser
- Defoamer - Defoamer liquid for high foam products
- Drain - Caustic base, granular drain cleaner
- Eco Plus - Bio-stable, water soluble cutting fluid
- Eze - Anti-seize compound
- Silset - Specialist flocculant
- Screen - Solvent based degreaser
- Pen – Penetrating oil lubricant
- Miso – Concrete and cement descaler
- Met – Rust remover and cleaner
- Non-ferrous – Aluminium cleaner
- E Impact – removes slag, organic and inorganic load from foam
- Tarpaulin Cleaner – effectively and safely cleans tarpaulins
- Trainwash – effectively clean trains and removes specific dirt and grime that accumulates

Vehicle Care Products

Professional and effective vehicle care is essential for almost every company - We offer a comprehensive range of sepecialized products to easily take care of your vehicles

- Auto Wash - High foam cleaner/degreaser
- Car - Car wash and wax

- Dash - Silicone dashboard and vinyl cleaner and protector
- EA Acid Neutraliser - Acid neutraliser/battery cleaner
- Freeze - Anti-corrosion/anti-freeze coolant additive
- Fresh Cherry - Air sanitiser and deodoriser
- Fresh Lavender - Air sanitiser and deodoriser
- Glass - Window and chrome cleaner
- Tyre Gloss - Silicon-based tyre gloss protector
- FloorworX LF Carpet Cleaner - Low foam carpet extractor detergent
- FloorworX HF Carpet Cleaner – High foam upholstery and carpet cleaner

COMERCIAL -CHEMICAL SOLUTION

Office and Janitorial Maintenance

- Blue - Perfumed disinfectant cleaner - lavender
- Bowl - Anti-bacterial toilet bowl/urinal cleaner
- Rex – Alkaline disinfectant cleaner
- Industrial - General purpose cleaner
- Glass - Glass and window cleaner
- Swish - Deodorising maintenance cleaner
- Trio - Odour masking cleaner/disinfectant
- Citrus - General purpose citrus based cleaner

Laundry

- Bleach - Stain remover fabric bleaching product
- Industrial Fabric Softener – Fabric Softener for industrial applications
- Laundry Power – Heavy duty laundry liquid formulated to remove industrial grease and oil from clothing
- Liquid Laundry - Liquid laundry detergent
- Wash - Concentrated low foam washing powder

Vehicle Care Products

Professional and effective vehicle care is essential for almost every company - We offer a comprehensive range of sepecialized products to easily take care of your vehicles

- Tyre - Water based, acrylic tyre paint/protector
- Extract - Low foam carpet extractor detergent
- Mat – Upholstery Cleaner

FOOD AND BEVERAGE - CHEMICAL SOLUTION

Our Food and Beverage range of products adheres to strict food safety standards and are SABS certified. The range of chemicals covers a full range of chemicals that will allow for

efficient and effective cleaning of all food areas. Our range is complimented by a range of dispensing units and colour coded brushware and equipment

Dishmachine/Warewashing

- EA Auto Rinse Aid - Automatic dishwashing rinse aid
- EA Autodish – Automatic dishwashing liquid.

Floors

- Floorgene - Heavy duty floor cleaner

Daily Maintenance

- Fatsolve - Heavy duty anti-bacterial surface cleaner
- Kleen - Anti-bacterial all-purpose cleaner
- Klensan - Cleaner/steriliser for processing
- Oven - Alkaline oven cleaner
- Rex - Alkaline disinfectant cleaner
- EA Sterifect - Disinfectant, sterilant, sanitiser
- EA Sterifect Low PH - Disinfectant, sanitiser low pH

Hand Care

- EA Care Hand - Anti-bacterial hand soap
- EA Sanipure - Antiseptic hand sterilizer
- Hand Sanitiser (QAC Free)

METAL TREATMENT

We offer speciality chemicals for surface preparation with regard to maximum corrosion resistance and the pre-treatment of metal surfaces for the subsequent application of powder paint

- Degrakleen – Alkaline Degreasing Compound
- Degracid – De-Rusting Compounds
- Degrafos – Pre-Paint Zinc & Iron Phosphates
- Degraseal – Passivation
- Degrakrome – Conversion Coatings for Aluminum and Aluminum Alloys
- Degrastrip – Alkaline and Solvent based Paint Strippers
- Degrasol – Detergent additives and non-flammable Solvent Degreasers
- Degralube - Environmentally-friendly synthetic drawing and machine lubricant
